## 1. GENERAL RULES OF THE CENTER

- By using the attractions of the Center, the user may suffer injuries;
- All attractions of the Center are used solely at one's own risk;
- It is recommended, for safety reasons to use the attractions by users in accordance with the Rules of the Center, which are based on good practice for individual attractions;
- The use of the Center's attractions is not legally age-restricted or otherwise regulated. The Center is therefore not obliged or authorized to determine the identity or age of the user;
- The user is solely responsible for the accuracy of the information in the Disclaimer and for the adequacy of the signature;
- If the user is not legally capable, the Statement of Exclusion of Liability for the user is signed by his/her legal representative, guardian or adult companion authorized by the legal representative or guardian of a minor or another person without legal capacity;
- If the statement is signed by an adult companion, he/she guarantees that he/she has the necessary consent from the legal representative or guardian to sign the Disclaimer and assumes full responsibility in case of lack of necessary approvals from the legal representative or guardian.
- The Center is not liable for incorrectly filling in and/or signing Statement of Disclaimer, and is not obliged or authorized to establish the identity of the person signing the Disclaimer or his/her authorization to sign the same statement on behalf of another person;
- The liability of the Center is excluded in the event that the user uses the attractions of the Center without a signed Statement of Liability;
- We recommend that minors under the age of 6 always use the Center's attractions under the supervision of their legal representative or a companion/person entrusted by the legal representative with a child;
- The center does not offer childcare services and does not take any responsibility for it;
- All users of the Center are obliged to follow the instructions of the Center's employees;
- We reserve the right to restrict access to attractions to persons who are not psychophysically adequate for their use (age, height, the influence of alcohol etc.);
- Users must remove all jewelry and other metal objects before entering the attraction area;
- Users must adapt their activity to their own abilities and the limitations of their own body;
- It is forbidden to bring food and drinks into the area of use of attractions, i.e. to take food and drinks out of the area of restaurants and cafes;
- It is not allowed to use attractions under the influence of alcohol or other intoxicating substances;
- It is forbidden to use mobile phones, cameras or still cameras while using the attractions;
- It is forbidden to run in the area of the Center and attractions, to push or disturb other persons, in any way, physically or verbally;
- The use of attractions is not recommended for pregnant women and people with health problems;
- The center is not responsible for lost items of users and visitors;
- Entrance to the toilet is allowed only in shoes.

## 2. RULES AND INSTRUCTIONS FOR USING ATTRACTIONS

### 2.1. KARTING TRACK

- It is obligatory to watch the briefing video or listen to the instructions of the employees of the Center before starting the ride;
- Persons from the age of five may ride karting independently and participate in karting rides if an employee of the Center estimates that the person can safely participate in the ride;
- It is obligatory to fasten clothes and tie hair;
- It is not allowed to wear fluttering clothes and accessories (scarf, etc.);
- It is mandatory to empty the pockets before a ride;
- It is mandatory to wear and tie up a helmet while riding and to fasten a seat belt;
- Deliberate collisions with other riders are prohibited;
- It is mandatory to listen to the instructions of the Center's employees;
- In case of non-compliance with the rules, the employee of the Center has the right to remove the rider from the ride before the end of the ride.

### 2.2. AXE THROWING

- Persons under the age of 14 must be under the supervision of a legal representative at the time of using the attraction;
- It is obligatory to wear appropriate clothing that allows for a good range of motion;
- It is obligatory to wear closed shoes whenever entering the throwing area;
- Loose clothing such as hoodies, heels, scarves, and accessories are not allowed during the use of the attraction as they may create precarious conditions by restricting mobility and/or depriving objects;
- It is forbidden to wear hats and caps while using the attraction;
- It is not allowed to enter the throwing area before the employee of the Center allows it;
- It is not allowed to cross the throwing line until the axes are on target or on the floor;
- Throwing is not allowed until the participant in the adjacent lane has performed his/her throw;
- It is not allowed to leave the throwing lane with the ax.

### 2.3. TRAMPOLINES

- Entry into the trampoline zone is allowed to persons with a minimum height of 115 cm or 6 years of age;
- Children from 100 cm to 115 cm in height, may by exception use trampolines if accompanied by a legal representative or a person to whom the legal representative has entrusted the child.

#### 2.3.1. HIGH-PERFORMANCE TRAMPOLINE

- The minimum allowed height is 130 cm;

- The ground floor is intended for children 0-3 years;
- Other levels are for users older than 4 years and maximum weight is 90 kg;
- Mandatory use of anti-slip socks;
- Prohibited pushing, hitting, running;
- It is forbidden to enter the attraction with sharp objects, jewelry, mobile phones, etc.;
- Use of the attraction is at one's own risk.

## 2.8. BUMPER CARS

- Clients are prohibited from entering the track without an operator;
- Only persons taller than 115 cm or older than 6 are allowed to use it;
- Children younger than the prescribed age or minimum height can use the attraction together with the companion
- It is forbidden to get out of the car during the ride;
- Mandatory seat belt use;
- Use of the attraction is at one's own risk.

## 2.9. VR

- VR games can be used by children with a minimum height of 115 cm or 6 years;
- Every client must be familiar with the statement of disclaimer;
- Customers must always follow the operator's safety instructions and be strapped in on devices that have a belt;
- It is not recommended to use VR if you are tired, dizzy, weak, nauseous, sick, under the influence of alcohol or have a weakened sense of movement and balance;
- Stop using VR glasses immediately if you experience any of the following symptoms: dizziness, change in vision, eye or muscle twitching, loss of consciousness, disorientation, seizures, or any involuntary movement or cramping;
- Some clients may experience motion sickness, nausea, disorientation, blurred vision, or other ailments. In this case, it is not recommended to continue using VR. If the client has such a problem after using VR, they need to rest and not engage in any activities that require clear vision, balance or coordination until the symptoms have completely subsided;
- If the client uses VR more than once (plays more games), we recommend a break between games lasting 15 minutes.

## **2.10. LASER TAG**

- Only persons taller than 115 cm or older than 6 are allowed to use it;
- Running is forbidden;
- No climbing on walls and obstacles;
- Physical contact prohibited;
- No lying or crawling on the floor;
- Swearing and insulting prohibited;
- Forbidden rough play and hitting with a rifle. If you break this rule you will be automatically excluded from the game.

## **2.11. OUTDOOR ATTRACTIONS**

- Use of all outdoor attractions is at one's own risk;
- Pushing, violent and rough play are forbidden;
- It is forbidden to use attractions without the presence of employees;
- The recommendation to use outdoor attractions is for children with a minimum height of 115 cm.
